Quartieri Marina e Castello di Cagliari

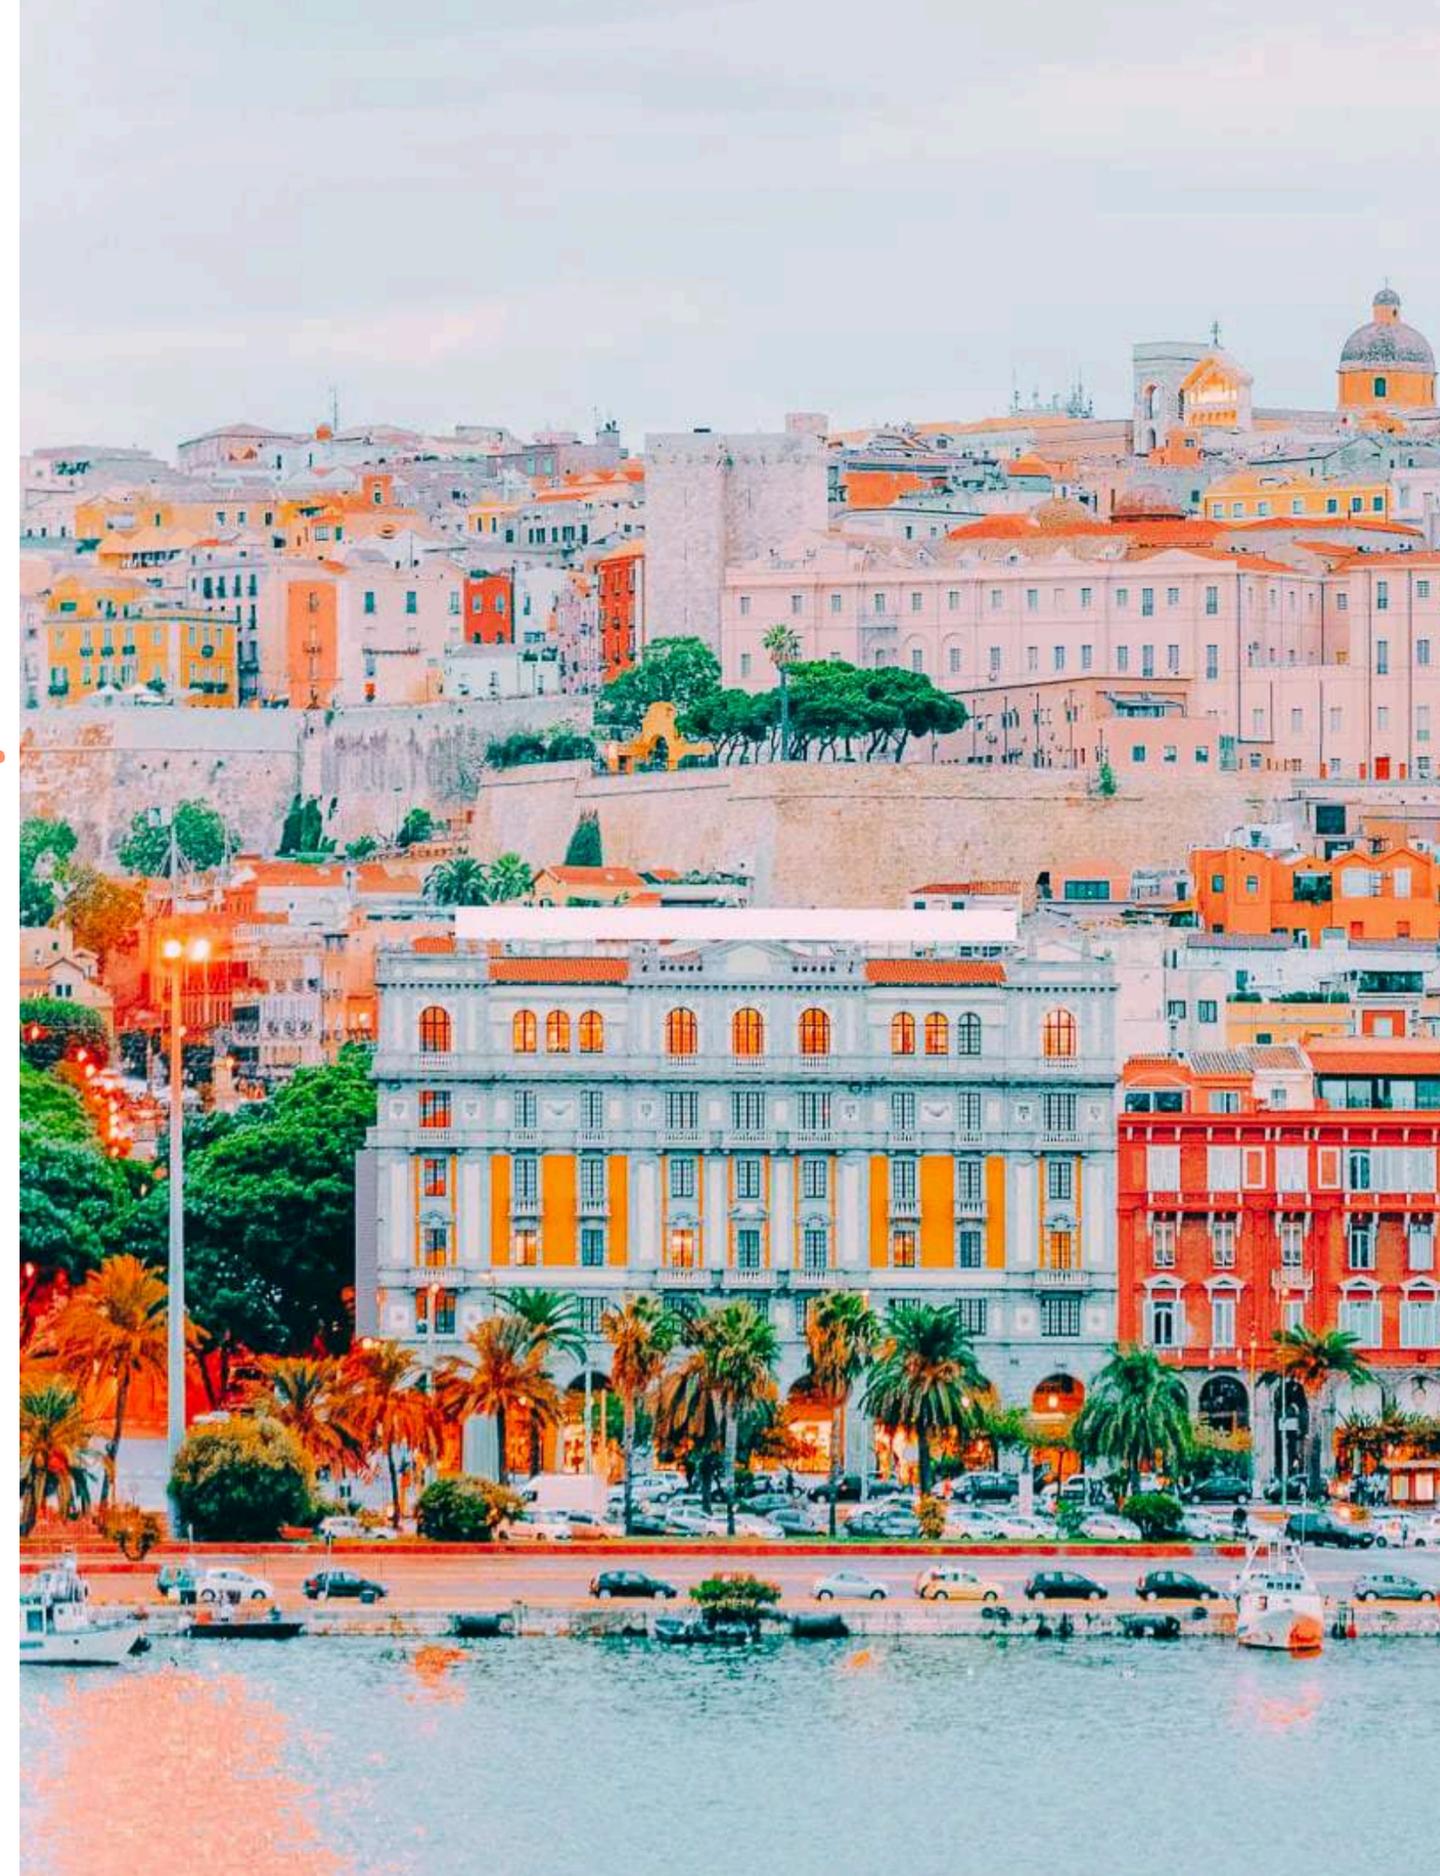

PATTO EDUCATIVO DI COMUNITÀ:

# RADICI E ORIZZONTI

(ROOTS AND HORIZONS)

Educational Innovation and Multiculturalism  
in the neighborhoods of Marina and Castello  
in Cagliari.

Project funded by the second opening window of the "Scuola Bene Comune" call issued by the Foundation of Sardinia

# **RADICI E ORIZZONTI**

**PROJECT AND PARTNERS'  
PRESENTATION**

# AN EDUCATING COMMUNITY IN MARINA E CASTELLO

The project wishes to **enhance the cultural diversity and historical heritage** of two neighborhoods, transforming these spaces into not only a place for tourists to visit, but a vibrant and dynamic community, especially for **children and their families**.

\* Multiculturalism

\* History and Traditions

\* (Teaching and Cultural) Innovation

\* Support to families

# GOALS

- \* **Fostering unity and understanding between different cultures**
- \* **Supporting families for children to attend school regularly**
- \* **Learning how to communicate with all cultures**, work together, and use art to understand and respect diversity.
- \* **Bringing new teaching ways to schools and neighborhoods** through school subjects such as Science, Technology, Art and Math along with traditions and cultures from around the world.
- \* **Creating accessible spaces to meet and learn** even beyond the duration of the project.
- \* **Get everyone involved** connecting families, schools and local associations to work together to implement the project, creating a joint help group.
